### **Welcome to Monroe Animal Care Hospital!**

We are a full service small animal facility specializing in the complete care of companion animals. Our mission is to provide comprehensive, high quality veterinary care to our patients with an emphasis on exceptional client service and patient care in a warm, friendly atmosphere. It is the desire of this hospital to treat our clients as our friends, to provide them with excellent service and to treat their pets as if they were our own. Our entire healthcare team is committed to providing personal attention to the unique concerns of each pet owner.

To allow ample time for all patients and scheduled surgical procedures, we operate primarily by appointment. Emergency cases shall always receive top priority, which is why occasional appointment delay is inevitable. Please realize that we make a sincere attempt to see each client on time. We also offer 'Check In' appointments for your convenience.

For your protection, and that of others, all pets must be on a leash or in a carrier while in the waiting room.

Below is a sample of the wide range of veterinary services available to keep your companions feeling their best:
